9. INTEREST

9.1. Fixed Rate Notes

- 9.1.1. Each Fixed Rate Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement at the rate(s) per annum equal to the Fixed Rate of Interest so specified, payable in arrears on the Fixed Interest Payment Dates in each year up to and including the Maturity Date.

- 9.1.2. The first payment of interest will be made on the Fixed Interest Payment Date following the Interest Commencement Date.
- 9.1.3. Except as provided in the Applicable Pricing Supplement, the amount of interest payable per Note on each Fixed Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount, provided that:
- 9.1.3.1. if an Initial Broken Amount is specified in the Applicable Pricing Supplement, then the first Interest Amount shall equal the Initial Broken Amount specified in the Applicable Pricing Supplement; and
- 9.1.3.2. if a Final Broken Amount is specified in the Applicable Pricing Supplement, then the final Interest Amount shall equal the Final Broken Amount.
- 9.1.4. Interest will be calculated in accordance with the Interest Period as specified in the Applicable Pricing Supplement for JSE listed Fixed Rate Notes, however in any other instance, such interest shall be calculated by applying the Fixed Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, as specified in the Applicable Pricing Supplement, and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half such Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

9.2. Floating Rate Notes and Indexed Interest Notes

Interest Payment Dates

Each Floating Rate Note and Indexed Interest Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement, and such interest will be payable in arrears on the Interest Payment Date(s) in each year (if applicable) specified in the Applicable Pricing Supplement. Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date) up to and including the Maturity Date.

Rate of Interest

The Rate of Interest payable from time to time in respect of the Floating Rate Notes and Indexed Interest Notes will be determined in the manner specified in the Applicable Pricing Supplement.

Minimum and/or Maximum Rate of Interest

If the Applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the Applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be limited to such Maximum Rate of Interest.

Determination of Rate of Interest and Calculation of Interest Amount

The Calculation Agent, in the case of Floating Rate Notes and Indexed Interest Notes will at, or as soon as is practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the Interest Amount payable in respect of each Floating Rate Note and Indexed Interest Note in respect of each Specified Denomination for the relevant Interest Period, and the Calculation Agent shall notify the Issuer of the Rate of Interest for the relevant Interest Period as soon as is practicable after calculating the same. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half a Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Interest Determination, Screen Rate Determination including Fallback Provisions

Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph, **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by such agent as a notional amount under an interest rate swap transaction if that agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the most recent ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;
- (b) the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- (c) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on ZAR-JIBAR-SAFEX, the first Day of the applicable Interest Period; or (ii) in any other case, as specified in the Applicable Pricing Supplement.

For the purposes of the above sub-paragraph **Floating Rate**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions specified in the Applicable Pricing Supplement.

Where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject to the provisions below, be either:

- (a) if the Relevant Screen Page is available,
 - (i) the offered quotation (if only one quotation appears on the Relevant Screen Page); or
 - (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, in respect of JIBAR and to the fourth decimal in respect of JIBAR Replacement Event with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage per annum) for the Reference Rate which appears on the Relevant Screen Page as at 11h00 (Johannesburg time) (or as otherwise specified in the Applicable Pricing Supplement) on the Interest Rate Determination Date in question plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If 5 (five) or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations; or

- (b) if the Relevant Screen Page is not available or if, in the case of (a)(i) above, no such offered quotation appears or, in the case of (a)(i) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Johannesburg office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11h00 (Johannesburg time) on the Interest Rate Determination Date in question. If 2 (two) or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent; or
- (c) if the Rate of Interest cannot be determined by applying the provisions of (a) and (b) above, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately 11h00 (Johannesburg time) on the relevant Interest Rate Determination Date, deposits in an

amount approximately equal to the Nominal Amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate to prime banks in the Johannesburg inter-bank market plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the Rate of Interest for the relevant Interest Period will be determined by the Calculation Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the Nominal Amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 11h00 (Johannesburg time) on the relevant Interest Rate Determination Date, by the Reference Banks plus or minus (as appropriate) the Margin (if any). If the Rate of Interest cannot be determined in accordance with the foregoing provisions of this Condition 9.2(c), the Rate of Interest shall be determined as at the last preceding Interest Rate Determination Date (through substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than ZAR-JIBAR-SAFEX, the Rate of Interest in respect of such Notes will be determined as provided in the Applicable Pricing Supplement.

Notification of Rate of Interest and Interest Amount

The Issuer will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be announced on SENS and notified to the CSD and/or every other relevant exchange or authority as soon as possible after their determination but in any event no later than the 3rd (third) Business Day before the relevant Interest Payment Date. Each Interest Amount, Interest Payment Date or effective Rate of Interest, as the case may be, so announced and/or notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period or a change in the effective Rate of Interest. Any such amendment will be promptly announced on SENS, notified to the CSD and/or every other relevant exchange or authority and to the Noteholders *via* SENS in accordance with Condition 20 (*Notices*) and at least 3 (three) Business Days prior to the relevant Interest Payment Date.

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 9.2 (*Floating Rate Notes and Indexed Interest Notes*), by the Calculation Agent shall (in the absence of wilful deceit, bad faith or manifest error or proven error) be binding on the Issuer and all Noteholders and in the absence as aforesaid no liability to the Issuer or the Noteholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

9.3. JIBAR Replacement Event

9.3.1. If the Calculation Agent determines, in its discretion and acting in good faith and in a commercially reasonable manner, that a JIBAR Replacement Event has occurred in relation to JIBAR, which may adversely affect the interests of Noteholders (including but not limited to the fact that JIBAR is no longer relevant to and does not reflect the original economic objectives and rationale of, the Notes):

- (a) the Calculation Agent shall provide for the use of a Replacement Benchmark in addition to or as substitute for JIBAR; and
- (b) any amendment or waiver which relates to providing for the use of a Replacement Benchmark may be made without the consent of the Noteholders provided that such amendment or waiver is implemented for purposes of:
 - (i) aligning any provision of the Notes to the use of that Replacement Benchmark;
 - (ii) enabling that Replacement Benchmark to be used for the calculation of interest under the Notes (including, without limitation, any consequential changes

required to enable that Replacement Benchmark to be used for the purposes of the Notes);

- (iii) implementing market conventions applicable to that Replacement Benchmark;
- (iv) providing for appropriate fallback (and market disruption) provisions for that Replacement Benchmark; or
- (v) adjusting the pricing to reduce or eliminate, to the extent reasonably practicable, any transfer of economic value from the Issuer to the Noteholders or vice versa as a result of the application of that Replacement Benchmark (and if any adjustment or method for calculating any adjustment has been formally designated, nominated or recommended by the Relevant Nominating Body, the adjustment shall be determined on the basis of that designation, nomination or recommendation).

9.3.2. The Calculation Agent shall forthwith notify the Issuer of such change and the Issuer shall deliver a notice to Noteholders in accordance with Condition 20 (*Notices*) specifying the Replacement Benchmark, and market conventions of adjustment spread. Such notice shall be irrevocable and will be binding on the Noteholders.

9.4. **Dual Currency Interest Notes**

In the case of Dual Currency Interest Notes, the Interest Rate or Interest Amount payable shall be determined in the manner specified in the Applicable Pricing Supplement.

9.5. **Mixed Rate Notes**

The Interest Rate payable from time to time on Mixed Rate Notes shall be the Interest Rate payable on the form of interest-bearing Note (be it a Fixed Rate Note, Floating Rate Note, Index-Linked Note or Dual Currency Note) specified for each respective period, each as specified in the Applicable Pricing Supplement. During each such applicable period, the Interest Rate on the Mixed Rate Notes shall be determined and fall due for payment on the basis that such Mixed Rate Notes are Fixed Rate Notes, Floating Rate Notes, Index-Linked Notes or Dual Currency Notes, as the case may be.

9.6. **Accrual of Interest**

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date of its redemption unless, upon due presentation thereof, payment of principal or the Early Redemption Amount is improperly withheld or refused. - 11.2.2. the requirement and/or any adverse effect cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 (ninety) Days prior to the earliest date on which the Issuer would be obliged to pay or may become subject to the payment of such additional amounts were a payment in respect of the Notes then due. Notes may be redeemed by the Issuer in accordance with this Condition 11.2 (*Redemption for Tax Reasons*) in whole or in part. A redemption in part may be effected by the Issuer:

- 11.2.2.1. notwithstanding that such partial redemption may not entirely avoid such obligation to pay additional amounts as provided for or referred to in Condition 12 (*Taxation*); and
- 11.2.2.2. *mutatis mutandis* in the manner described in Condition 11.3 (*Redemption at the Option of the Issuer*), provided that the references to the giving of notice therein and to the Minimum Redemption Amount and the Higher Redemption Amount (both as specified in the Applicable Pricing Supplement) therein shall be disregarded for such purposes.

From the date of publication of the notice to Noteholders of the redemption referred to in this Condition 11.2 (*Redemption for Tax Reasons*), the Issuer shall deliver to the Transfer Agent and the Paying Agent at their Specified Addresses, for inspection by the relevant Noteholders (i) a certificate signed by two authorised directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to effect such redemption have occurred and (ii) a copy of a legal opinion from independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

Notes redeemed for tax reasons pursuant to this Condition 11.2 (*Redemption for Tax Reasons*) will be redeemed at their Early Redemption Amount referred to in Condition 11.11 (*Early Redemption Amounts*), together (if appropriate) with interest accrued from (and including) the immediately preceding Interest Payment Date to (but excluding) the date of redemption or as specified in the Applicable Pricing Supplement.

The aggregate Nominal Amount of Redeemed Notes represented by Individual Certificates shall bear the same proportion to the aggregate Nominal Amount of all Redeemed Notes as the aggregate Nominal Amount of Individual Certificates outstanding bears to the aggregate Nominal Amount of the Notes Outstanding, in each case on the Selection Date, provided that such first mentioned Nominal Amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination and the aggregate Nominal Amount of Redeemed Notes which are uncertificated shall be equal to the balance of the Redeemed Notes. No exchange of the relevant uncertificated Notes will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph, and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 20 (*Notices*) at least 10 (ten) Days prior to the Selection Date.

Holders of Redeemed Notes shall surrender the Individual Certificates, if any, representing the Notes in accordance with the provisions of the notice given to them by the Issuer as contemplated above. Where only a portion of the Notes represented by such Individual Certificates are redeemed, the Transfer Agent shall deliver new Individual Certificates to the Noteholders, as the case may be, in respect of the balance of the Notes.

11.4. Redemption at the Option of the Senior Noteholders

If Senior Noteholders are specified in the Applicable Pricing Supplement as having an option to request the redemption of Senior Notes, such Senior Noteholders may exercise such option in respect of such Senior Notes by delivering to the Transfer Agent, in accordance with Condition 20 (*Notices*), a duly executed notice (Put Notice), at least 30 (thirty) Days but not more than 60 (sixty) Days, prior to the Optional Redemption Date.

In the event that the redeeming Senior Noteholder is the holder of an Individual Certificate, then such Senior Noteholder shall (attached to the Put Notice) deliver the Individual Certificate to the Transfer Agent at least 1 (one) Business Day prior to the Optional Redemption Date for cancellation, failing which the Put Notice shall be invalid. A holder of an Individual Certificate shall, in that holder's Put Notice, specify a bank account in South Africa into which the redemption payment amount is to be paid.

If, prior to such due date for its redemption, such Note becomes immediately due and payable or if upon due presentation payment of such redemption monies are improperly withheld or refused, the Transfer Agent shall post such Note by uninsured post to, and at the risk of, the relevant Noteholder (unless the Noteholder has otherwise requested and paid the costs of such insurance to the Transfer Agent at the time of depositing the Notes) at such address as may have been given by the Noteholder in the Put Notice. At the end of each period for the exercise of such option, the Transfer Agent shall promptly notify the Issuer of the Nominal Amount of the Notes in respect of which such option has been exercised with it and the serial numbers in respect of any Notes represented by an Individual Certificate.

The delivery of Put Notices shall be required to take place during normal office hours to the Issuer and Transfer Agent. Put Notices shall be available for inspection at the Specified Address of the Transfer Agent.

Any Put Notice given by a Senior Noteholder holder pursuant to this Condition 11.4 (*Redemption at the Option of the Senior Noteholders*) shall be irrevocable except where, after giving the notice but prior to the due date of redemption, an Event of Default shall have occurred and be continuing in which event such Senior Noteholder, at its option, may elect by notice to the Issuer delivered at least 1 (one) Business Day prior to the Optional Redemption Date to withdraw the notice given pursuant to this Condition 11.4 (*Redemption at the Option of the Senior Noteholders*) and instead to declare such Senior Note forthwith due and payable pursuant to Condition 18 (*Events of Default*).

The provisions of this Condition 22 (*Meetings of Noteholders/Consent Process*) shall apply *mutatis mutandis* to the calling and conduct of meetings on an individual Tranche, Series or Class of Noteholders, as the case may be.

SETTLEMENT, CLEARING AND TRANSFER OF NOTES

Capitalised terms used in this section headed “Settlement, Clearing and Transfer of Notes” shall bear the same meanings as those used in the Terms and Conditions, except to the extent that they are separately defined in this section or are clearly inappropriate from the context.

Notes listed on the Interest Rate Market of the JSE and/or held in the CSD

Each Tranche of Notes which is listed on the Interest Rate Market of the JSE in uncertificated form will be held in the CSD. A Tranche of unlisted, uncertificated Notes may also be held in the CSD.

Clearing systems

Each Tranche of Notes listed on the Interest Rate Market of the JSE and/or a Tranche of Notes held in the CSD, will be issued, cleared and settled in accordance with the Applicable Procedures for the time being of the JSE and the CSD through the electronic settlement system of the CSD. Such Notes will be cleared by Participants who will follow the electronic settlement procedures prescribed by the JSE and the CSD.

The CSD has, as the operator of an electronic clearing system, been appointed by the JSE to match, clear and facilitate the settlement of transactions concluded on the JSE. Subject as aforesaid, each Tranche of Notes which is listed on the Interest Rate Market of the JSE will be issued, cleared and transferred in accordance with the Applicable Procedures and the Terms and Conditions, and will be settled through Participants who will comply with the electronic settlement procedures prescribed by the JSE and the CSD. The Notes may be accepted for clearance through any additional clearing system as may be agreed between the JSE, the Issuer and the Dealer(s).

Participants

The CSD maintains accounts for Participants. As at the Programme Date, the Participants which are approved by the CSD, in terms of the Applicable Procedures, as Settlement Agents to perform electronic settlement of funds and scrip are Absa Bank Limited, Citibank, N.A., South Africa Branch; FirstRand Bank Limited; Nedbank Limited; The Standard Bank of South Africa Limited; Standard Chartered Bank, Johannesburg Branch and the South African Reserve Bank. Euroclear, Bank S.A./N.V, as operator of the Euroclear System (**Euroclear**), and Clearstream Banking, société anonyme, (Clearstream Luxembourg) (**Clearstream**) as operator of the Euroclear System, and Clearstream will settle off-shore transfers in the Notes through their Participants.

Settlement and clearing

Participants will be responsible for the settlement of scrip and payment transfers through the CSD, the JSE and the South African Reserve Bank.

While a Tranche of Notes is held in the CSD, the Noteholder will be named in the Register as the holder of the Notes in that Tranche in accordance with the Applicable Procedures. All amounts to be paid in respect of Notes held in the CSD will be paid to the relevant Participants on behalf of the relevant Noteholder pursuant to the Applicable Procedures. All rights to be exercised in respect of Notes held in the CSD will be exercised by the relevant Noteholder.

In relation to each Person shown in the records of the CSD or the relevant Participant, as the case may be, as the holder of a Beneficial Interest in a particular Nominal Amount of Notes, a certificate or other document issued by the CSD or the relevant Participant, as the case may be, as to the Nominal Amount of such Notes standing to the account of such Person shall be *prima facie* proof of such Beneficial Interest. However, the Noteholder as the registered holder of such Notes named in the Uncertificated Securities Register will be treated by the Issuer, the Paying Agent, the Transfer Agent and the CSD as the holder of that aggregate Nominal Amount of such Notes for all purposes.

Payments of all amounts in respect of a Tranche of Notes which is listed on the Interest Rate Market of the JSE and/or held in uncertificated form will be made to the CSD, which in turn will transfer such funds, via the Participants, to the holders of Beneficial Interests. Each of the Persons reflected in the records of the CSD as the holders of Beneficial Interests in Notes shall look solely to the CSD or the relevant Participant, as the case may be, for such Person's share of each payment so made by (or on behalf of) the Issuer to, or for the order of, the CSD.

Payments of all amounts in respect of a Tranche of Notes which is listed on the Interest Rate Market of the JSE and/or held in uncertificated form will be recorded by the CSD, distinguishing between interest and principal, and such record of payments by the CSD, shall be *prima facie* proof of such payments.

Transfers and exchanges

Subject to the Applicable Laws and the Applicable Procedures, title to Beneficial Interest held by Noteholders through the CSD will be freely transferable and will pass on transfer thereof by electronic book entry in the securities accounts maintained by the CSD or relevant Participants for such Noteholders.

Beneficial Interests may be exchanged for Notes represented by Individual Certificates in accordance with Condition 16.2 (*Transfer of Notes represented by Individual Certificates*).

Records of payments, trust and voting

Neither the Issuer nor the Paying Agent will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, Beneficial Interests, or for maintaining, supervising or reviewing any records relating to Beneficial Interests. Neither the Issuer nor the Paying Agent nor the Transfer Agent will be bound to record any trust in the Register or to take notice of or to accede to the execution of any trust (express, implied or constructive) to which any Note may be subject. Holders of Beneficial Interests vote in accordance with the Applicable Procedures.

Notes listed on any Financial Exchange other than (or in addition to) the Interest Rate Market of the JSE

Each Tranche of Notes which is listed on any Financial Exchange other than (or in addition to) the Interest Rate Market of the JSE will be issued, cleared and settled in accordance with the rules and settlement procedures for the time being of that Financial Exchange. The settlement and redemption procedures for a Tranche of Notes which is listed on any Financial Exchange (other than or in addition to the JSE) will be specified in the Applicable Pricing Supplement.

SUBSCRIPTION AND SALE

Capitalised terms used in this section headed “Subscription and Sale” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Dealer(s) have in terms of the programme agreement dated on or about 21 November 2024 entered into amongst the Issuer, the Guarantor(s), the Arranger, and Dealer(s), as may be amended, supplemented or restated from time to time (the **Programme Agreement**), agreed with the Issuer on a basis upon which it may from time to time agree to subscribe for Notes or procure the subscription of the Notes.

Selling restrictions

South Africa

Each Dealer has (or will have) represented, warranted and agreed that it (i) will not offer Notes for subscription, (ii) will not solicit any offers for subscription for or sale of the Notes, and (iii) will itself not sell or offer the Notes in South Africa in contravention of the Companies Act, Banks Act, Exchange Control Regulations and/or any other Applicable Laws and regulations of South Africa in force from time to time.

Prior to the issue of any Tranche of Notes under the RCS Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that it will not make an “offer to the public” (as such expression is defined in the Companies Act, and which expression includes any section of the public) of Notes (whether for subscription, purchase or sale) in South Africa. This Programme Memorandum does not, nor is it intended to, constitute a prospectus prepared and registered under the Companies Act.

Offers not deemed to be offers to the public

Offers for subscription for, or sale of, Notes are not deemed to be offers to the public if:

- (a) made only to certain investors contemplated in section 96(1)(a) of the Companies Act; or
- (b) the total contemplated acquisition cost of Notes, for any single addressee acting as principal, is equal to or greater than ZAR1,000,000, or such higher amount as may be promulgated by notice in the Government Gazette of South Africa pursuant to section 96(2)(a) of the Companies Act.

Information made available in this Programme Memorandum should not be considered as “*advice*” as defined in the Financial Advisory and Intermediary Services Act, 2002.

United States

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the **Securities Act**) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act (**Regulation S**).

Prior to the issue of any Tranche of Notes under the RCS Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) the Notes in that Tranche have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the Securities Act;
- (b) it has not offered, sold or delivered any Notes in that Tranche and will not offer, sell or deliver any Notes in that Tranche (i) as part of their distribution at any time or (ii) otherwise until 40 (forty) Days after completion of the distribution, as determined and certified by the Dealer(s) or, in the case of an issue of such Notes on a syndicated basis, the relevant Lead Manager, of all Notes of the Series of which that Tranche of Notes is a part, within the United States or to, or for the account or benefit of, U.S. Persons;

- (c) it will send to each dealer to which it sells any Notes in that Tranche during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of such Notes within the United States or to, or for the account or benefit of, U.S. Persons; and
- (d) it, its Affiliates and any Persons acting on its or any of its Affiliates behalf have not engaged and will not engage in any directed selling efforts in the United States (as defined in Regulation S under the Securities Act) with respect to the Notes in that Tranche and it, its Affiliates and any Persons acting on its or any of its Affiliates' behalf have complied and will comply with the offering restrictions requirements of Regulation S.

Until 40 (forty) Days after the commencement of the offering of a Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the Securities Act.

European Economic Area

Prior to the issue of any Tranche of Notes under the RCS Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that, in relation to each Member State of the European Economic Area which has implemented the EU Prospectus Regulations (each a **Relevant Member State**), with effect from and including the date on which the EU Prospectus Regulations is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of any of such Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of any of such Notes to the public in that Relevant Member State:

- (a) if the terms or drawdown prospectus in relation to the Notes specifies that an offer of those Notes may be made other than pursuant to Article 1(4) of the EU Prospectus Regulations in that Relevant Member State (a **Non-exempt Offer**), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State in accordance with the EU Prospectus Regulations and/or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus, if not a drawdown prospectus, has subsequently been completed by the terms contemplating such Non-exempt Offer, in accordance with the EU Prospectus Regulations, in the period beginning and ending on the dates specified in the drawdown prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;
- (b) at any time to any legal entity which is a qualified investor as defined in the EU Prospectus Regulations;
- (c) at any time to fewer than 150 (one hundred and fifty) natural or legal persons (other than qualified investors as defined in the EU Prospectus Regulations) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 1(4) of the EU Prospectus Regulations, provided that no such offer referred to in (a) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the EU Prospectus Regulations or supplement a prospectus pursuant to Article 23 of the EU Prospectus Regulations.

For the purposes of this provision, the expression an “*offer of Notes to the public*” in relation to any Notes means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, and the expression “**EU Prospectus Regulations**” means Regulation (EU) 2017/1129 (as amended).

The Dealers have represented and agreed, and each further Dealer appointed under the RCS Programme will be required to represent and agree that, in relation to any offering of Notes to which Directive 2014/65/EU on markets in financial instruments (as amended, **MiFID II**) applies, that such offering is in accordance with the applicable rules set out in MiFID II (including any applicable national transposition of MiFID II), including that any commission, fee or non-monetary benefit received from the relevant Issuer complies with such rules.

United Kingdom

Public Offer Selling Restrictions under the UK Prospectus Regulation

Prior to the issue of any Tranche of Notes under the RCS Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that has not made and will not make an offer of any of such Notes to the United Kingdom except that it may make an offer of any of such Notes to the public in the United Kingdom:

- (a) if the final terms or drawdown prospectus in relation to the Notes specifies that an offer of those Notes may be made other than pursuant to section 86 of the FSMA (a **Non-exempt Offer**), following the date of publication of a prospectus in relation to such Notes which either (i) has been approved by the Financial Conduct Authority, or (ii) is to be treated as if it had been approved by the Financial Conduct Authority in accordance with the transitional provision in Regulation 74 of the Prospectus (Amendment etc.) (EU Exit) Regulations 2019, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Regulation;
- (c) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Regulation), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within section 86 of the FSMA, provided that no such offer referred to in (a) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to section 85 of FSMA or supplement a prospectus pursuant to Article 23 of the UK Prospectus Regulation.

For the purposes of this provision, the expression "an offer of Notes to the public" in relation to any Notes means the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe for the Notes and the expression "**UK Prospectus Regulation**" means Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA and regulations made thereunder.

Other regulatory restrictions: The Dealers have represented and agreed, and each further Dealer appointed under this RCS Programme will be required to represent and agree, that:

- (a) **Financial Promotion:** it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 (*Financial Promotion*) of the FSMA) received by it in connection with the issue or sale of any Securities in which section 21(1) of the FSMA would not, if it was not an authorised person, apply to the Issuer; and
- (b) **General Compliance:** it has complied and will comply with all applicable provisions of the FSMA and the Financial Conduct Authority Handbook with respect to anything done by it in relation to any Securities in, from or otherwise involving the United Kingdom.

Selling Restrictions Addressing Additional United Kingdom Securities Laws

Prior to the issue of any Tranche of Notes under the RCS Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) in relation to any of the Notes in that Tranche which have a maturity of less than one year, (i) it is a Person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any of such Notes other than to Persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of such Notes would otherwise constitute a contravention of section 19 of the Financial Services and Markets Act, 2000 (the **FSMA**) by the Issuer;

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any of the Notes in that Tranche under circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any of the Notes in that Tranche in, from or otherwise involving the United Kingdom.

General

Prior to the issue of any Tranche of Notes under the RCS Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to agree that:

- (a) it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in each jurisdiction in which it purchases, subscribes or procures the subscription for, offers or sells Notes in that Tranche or has in its possession or distributes the RCS Programme Memorandum and will obtain any consent, approval or permission required by it for the purchase, subscription, offer or sale by it of Notes in that Tranche under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, subscription, offers or sales; and
- (b) it will comply with such other or additional restrictions as the Issuer and such Dealer agree and as are set out in the Applicable Pricing Supplement.

Neither the Issuer nor any of the Dealers represent that Notes may at any time lawfully be subscribed for or sold in compliance with any applicable registration or other requirements in any jurisdiction or pursuant to any exemption available thereunder nor assumes any responsibility for facilitating such subscription or sale.

TAXATION

Capitalised terms used in this section headed “Taxation” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or are clearly inappropriate from the context.

The comments below are intended as a general guide to the relevant tax laws of South Africa as at the Programme Date. South African tax laws are subject to frequent change and accordingly the comments set out below may be subject to change, possibly with retrospective effect. The contents of this section headed “Taxation” do not constitute tax advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional tax advisers in this regard. The Issuer makes no representation and gives no warranty or undertaking, express or implied, and accepts no responsibility for the accuracy or completeness of the information contained in this section.

Securities Transfer Tax

The issue, transfer and redemption of the Notes will not attract securities transfer tax under the Securities Transfer Tax Act, 2007 (the **STT Act**, as amended from time to time) because the Notes do not constitute “securities” as defined in the STT Act (i.e. the Notes will not, themselves, constitute a share or depository receipt in a company). Any future transfer duties and/or taxes that may be introduced in respect of (or applicable to) the transfer of Notes will be for the account of holders of the Notes.

Value-Added Tax

No value-added tax (**VAT**) is payable on the issue or transfer of the Notes. The issue, sale or transfer of the Notes constitute “financial services” as defined in section 2 of the Value-Added Tax Act, 1991 (the **VAT Act**, as amended from time to time). In terms of section 2 of the VAT Act, the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of a debt security as well as the buying and selling of derivatives constitute a financial service, which is exempt from VAT in terms of section 12(a) of the VAT Act.

However, commissions, fees or similar charges raised for the facilitation of the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of Notes that constitute “debt securities” as defined in section 2(2)(iii) of the VAT Act will be subject to VAT at the standard rate (currently 15% (fifteen percent)), except where the recipient is a non-resident as contemplated below.

Services (including exempt financial services) rendered to non-residents of South Africa who are not in South Africa when the services are rendered, are subject to VAT at the zero rate in terms of section 11(2)(l) of the VAT Act.

Income Tax

South African resident Noteholders

Under current South African tax laws a “*resident*” (as defined in section 1 of the Income Tax Act, 1962 (the **Income Tax Act**, as amended from time to time)) is subject to income tax on his/her worldwide income. Accordingly, all Noteholders who are “*residents*” of South Africa will generally be liable to pay income tax, subject to available deductions, allowances and exemptions, on any income (including income in the form of interest) earned in respect of the Notes.

The tax treatment of resident Noteholders will depend on whether amounts derived in respect of the Notes constitute, an amount of a revenue nature or an amount of a capital nature. The Notes can constitute a wide variety of instruments subject to different terms. In addition to the terms of the instrument, the circumstances of the Noteholder could impact the tax treatment of amounts derived in respect of the Notes. The Noteholder could be exempt from tax, may hold the Notes as long-term investments on capital account, or may be trading in the Notes on revenue account. Noteholders are advised to consult their own professional advisers as to the nature of any amount earned pursuant to the Notes, and the tax treatment of the amount.

Under section 24J of the Income Tax Act, broadly speaking, any discount or premium to the nominal amount of a Note is treated as part of the interest income on the Note. Interest income which accrues (or is deemed to accrue) to a Noteholder and must be included in gross income, in accordance with

section 24J of the Income Tax Act, is deemed to accrue on a day to-day basis until that Noteholder disposes of the Note or until maturity, unless an election has been made by the Noteholder, which is a company entitled under section 24J(9) of the Income Tax Act to make such election, to treat its Notes as trading stock on a mark-to-market basis. This day-to-day accrual is determined by calculating the yield to maturity (as defined in section 24J of the Income Tax Act) and applying this rate to the outstanding amount for the relevant tax period. If on disposal or on maturity the Noteholder has included in gross income interest that the Noteholder did not actually receive (i.e., an accrual amount), section 24J of the Income Tax Act allows the deduction of an adjusted loss.

To the extent the disposal of the Note gives rise to a gain or a loss, the normal principles are to be applied in determining whether such gain or loss should be subject to income tax in terms of the Income Tax Act. If a Note is disposed of on a speculative basis or as part of a scheme of profit making, the gain should generally be revenue in nature and subject to normal tax. If a Note is held with a capital intention any gain on disposal will likely be subject to the lower capital gains tax (explained in more detail below).

Section 24JB of the Income Tax Act deals with the taxation of financial instruments for certain types of taxpayers ("*covered persons*", as defined in section 24JB of the Income Tax Act). If section 24JB of the Income Tax Act applies to the Noteholders and the Notes, the tax treatment of the acquisition, holding and/or disposal of the Notes will differ from what is set out above. Noteholders should seek advice from their own professional advisors as to whether these provisions may apply to them.

Non-resident Noteholders

Non-residents of South Africa are subject to income tax on all amounts derived from a South African source (subject to domestic exemptions or relief in terms of an applicable double taxation treaty). Depending on the nature of the amount, different domestic rules regarding the determination of source will be applicable. Regarding the treatment of amounts earned by non-residents of South Africa that are capital in nature, see "*Capital Gains Tax*" below.

Interest as defined in section 24J of the Income Tax Act (see above) is derived from a South African source if that amount:

- (a) is attributable to an amount incurred by a Person that is a South African tax resident, unless the interest is attributable to a foreign permanent establishment of that resident; or
- (b) is received or accrues in respect of the utilisation or application in South Africa by any Person of any funds or credit obtained in terms of any form of "*interest-bearing arrangement*".

The Notes could constitute an "*interest-bearing arrangement*". The Issuer is tax resident in South Africa as at the Programme Date. Accordingly, unless the Notes are attributable to a permanent establishment of the Issuer outside of South Africa, any interest paid to the Noteholders will be from a South African source and subject to South African income tax, unless such interest income is exempt from South African income tax under section 10(1)(h) of the Income Tax Act (see below).

Under section 10(1)(h) of the Income Tax Act, any amount of interest received by or that accrues to a Noteholder who, or which, is not a resident of South Africa during any year of assessment is exempt from income tax, unless:

- (a) that Person is a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate during the twelve month period preceding the date on which the interest is received by, or accrues to, that Person; or
- (b) the debt from which the interest arises is effectively connected to a permanent establishment of that Person in South Africa.

If a Noteholder who, or which, is not a resident of South Africa does not qualify for the exemption under section 10(1)(h) of the Income Tax Act, an exemption from, or reduction of, any South African income tax liability may be available under an applicable double taxation treaty.

In respect of non-resident Noteholders, a liability for South African income tax may arise should the Notes so disposed of be attributable to a South African permanent establishment of such Noteholder, and provided that the proceeds from such a disposal are regarded as being derived from a South African source (subject to domestic exemptions or relief in terms of an applicable double taxation treaty).

Non-resident purchasers are advised to consult their own professional advisers as to the above South African tax implications.

Capital Gains Tax

South African resident Noteholders

A resident Noteholder that disposes of Notes other than on a speculative basis or as part of a scheme of profit-making would need to determine a capital gain or loss, which would be subject to a lower effective tax rate than income tax. Any discount or premium on acquisition which has already been treated as interest for income tax purposes under section 24J of the Income Tax Act will not be taken into account when determining any capital gain or loss. If the Notes are disposed of or redeemed prior to or on maturity, an “adjusted gain on transfer or redemption of an instrument”, or an “adjusted loss on transfer or redemption of an instrument”, as contemplated in section 24J of the Act, must be calculated. Any such adjusted gain or loss is deemed to have been incurred or to have accrued in the year of assessment in which the transfer or redemption occurred. The calculation of the adjusted gain or loss will take into account, among other things, the interest which has already accrued or been incurred during the period in which the transfer or redemption occurs. In terms of section 24J(4A) of the Income Tax Act, where an adjusted loss on transfer or redemption includes interest which has previously been included in the income of the holder, that amount will qualify as a deduction from the income of the holder during the year of assessment in which the transfer or redemption takes place and will not give rise to a capital loss.

To the extent that a Note holder constitutes a “covered person”, as defined in section 24JB of the Income Tax Act, and section 24JB applies to the Notes, the Note holder will be taxed in accordance with the provisions of section 24JB of the Income Tax Act.

Non-resident Noteholders

Capital gains tax under the Eighth Schedule to the Income Tax Act will not be levied in relation to Notes disposed of by a Person who is not a resident of South Africa, unless the Notes disposed of are effectively connected with a permanent establishment of that Person.

Purchasers are advised to consult their own professional advisers as to whether a disposal or redemption of Notes will result in a liability to capital gains tax.

Taxation of Foreign Exchange Gains and Losses

The Notes may be denominated in a currency other than ZAR (**Foreign Currency Notes**). A South African tax resident who holds Foreign Currency Note and who is (1) a company; (2) a trust carrying on a trade; or (3) a natural person who holds the Notes as trading stock will be required to account for foreign exchange gains and losses on translation and realization of the Foreign Currency Notes in accordance with the provisions of section 24I of the Income Tax Act. Such persons may be required to include in or deduct from their income any translation and realization exchange gains or losses on the Notes.

No taxable foreign exchange gains or losses will arise for such persons where the Notes are attributable to a permanent establishment outside of South Africa and the functional currency of that permanent establishment is denominated in a foreign currency.

No foreign exchange gains or losses on translation and realization of the Notes in accordance with the provisions of section 24I of the Income Tax Act will arise for non-resident holders of the Notes, unless such Notes are attributable to a South African permanent establishment of such non-resident holder.

Withholding Tax

A final withholding tax on interest which is levied at the rate of 15% applies to interest payments made from a South African source to foreign Persons (i.e. non-residents). The withholding tax on interest becomes payable at the earlier time when that interest is paid or that interest becomes due and payable. The withholding tax on interest is subject to certain exemptions (see below). South Africa is also a party to double taxation treaties that may provide full or partial relief from the withholding tax on interest, provided that administrative procedures are followed.

The available exemptions apply in respect of the instrument giving rise to the interest, to the foreign Person receiving the interest, or to the Person liable for the interest (i.e. the Issuer).

Regarding the exemptions applicable in respect of the instrument, an amount of interest is exempt if it is paid to a foreign Person in terms of “listed debt”, being listed debt on a “recognised exchange”, as defined in terms of paragraph 1 of the Eighth Schedule to the Income Tax Act. The Notes may be listed on a recognised Financial Exchange. Thus, to the extent that the Notes remain listed on that exchange

(and to the extent that that Financial Exchange remains a recognised Financial Exchange), any interest paid to a foreign Person in respect of the Notes will be exempt from the withholding tax on interest. If the Notes are not listed on a recognised Financial Exchange, then the interest paid to a foreign Person will not be exempt from the withholding tax on interest unless another exemption is applicable.

Regarding the exemptions applicable in respect of the foreign Person receiving the interest, an amount of interest is exempt if:

- (a) that foreign Person is a natural person who was physically present in South Africa for a period exceeding 183 (one hundred and eighty three) days in aggregate during the twelve month period preceding the date on which the interest is paid; or
- (b) the debt claim in respect of which that interest is paid is effectively connected with a permanent establishment of that foreign Person in South Africa, if that foreign Person is registered as a taxpayer in terms of Chapter 3 of the Tax Administration Act, 2011,

in both instances in (a) or (b) above, the foreign Person must submit a declaration in a prescribed form confirming their exemption to the Person liable for the payment of the interest before payment of the interest is made.

A foreign Person could also qualify for the exemption if the foreign Person is an institution listed in section 50D of the Income Tax Act.

Regarding the exemptions applicable in respect of the Person liable for the interest, none of these will be applicable in respect of the Issuer. Thus, if the exemptions in respect of listed debt and foreign Persons above are not applicable, then any interest paid to a foreign Person is unlikely to be exempt from the withholding tax.

Prospective subscribers for or purchasers of Notes are advised to consult their own professional advisers to ascertain whether the abovementioned provisions may apply to them.

Section 8FA of the Income Tax Act

Section 8FA of the Income Tax Act applies to “*hybrid interest*”, which is a term defined in the Income Tax Act, with reference to “*debt*” instruments that have certain equity-like features.

8FA provide that interest on a hybrid debt instrument and/or hybrid interest are, for purposes of the Income Tax Act, deemed to be a *dividend in specie*. If either of these provisions apply the tax treatment of the interest may differ from what is set out above, and such payments may be subject to dividends withholding tax as a result of the deemed classification of interest as dividends in specie. The provisions of 8FA are subject to certain exemptions.

Guarantee

The applicability of the interest withholding tax is limited to the payment of “*interest*” which is defined in the Income Tax Act to include “interest and similar finance charges”. In the event that any Guarantor which is tax resident in South Africa makes a payment in respect of its Guarantee, under current South African tax law such payment would not be subject to interest withholding tax. However, to the extent that a Guarantor is required to pay default interest on any Guarantee payments, such interest payments may be subject to a final withholding tax on interest levied at a rate of 15% (which rate may be reduced if a double tax agreement applies and certain formalities are complied with).

Definition of Interest

The references to “*interest*” above means “*interest*” as understood in South African tax law. The statements above do not take account of any different definitions of “*interest*” or “*principal*” which may prevail under any other law or which may be created by the Terms and Conditions or any related documentation.

SOUTH AFRICAN EXCHANGE CONTROL

Capitalised terms used in this section headed “South African Exchange Control” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Exchange Control Regulations are subject to change at any time without notice. The contents of this section headed “South African Exchange Control” do not constitute exchange control advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.

Non-South African resident Noteholders and emigrants from the Common Monetary Area

Dealings in the Notes and the performance by the Issuer of its obligations under the Notes and the Terms and Conditions may be subject to the Exchange Control Regulations.

Emigrant Capital in an Emigrant's Capital account may be used for the subscription for or purchase of Notes. Any amounts payable by the Issuer in respect of the Notes subscribed for or purchased with Emigrant Capital from an Emigrant's Capital account may not, in terms of the Exchange Control Regulations, be remitted out of South Africa or paid into any non-South African bank account.

Emigrants from the Common Monetary Area

Any Individual Certificates issued to Noteholders who are emigrants from the Common Monetary Area will be endorsed “*non-resident*”. Such restrictively endorsed Individual Certificates shall be deposited with an authorised foreign exchange Dealers controlling such emigrant's remaining assets.

Any payments of principal due to a Noteholder who is an emigrant from the Common Monetary Area will be deposited into such emigrant Noteholder's Emigrant Capital account, as maintained by an authorised foreign exchange dealer. Interest payments are freely transferable and may be credited to the emigrant's non-resident Rand account. Capital amounts are not freely transferable from the Common Monetary Area and may only be dealt with in terms of the Exchange Control Regulations.

Non-residents of the Common Monetary Area

Any Individual Certificates issued to Noteholders who are not resident in the Common Monetary Area will be endorsed “*non-resident*”. In the event that a Beneficial Interest in Notes is held by a non-resident of the Common Monetary Area through the CSD, the securities account maintained for such Noteholder by the relevant Participant will be designated as a “*non-resident*” account.

It will be incumbent on any such non-resident Noteholder to instruct the non-resident's nominated or authorised Dealers in foreign exchange as to how any funds due to such non-resident in respect of Notes are to be dealt with. Such funds may, in terms of the Exchange Control Regulations, be remitted abroad only if the relevant Notes are acquired with foreign currency introduced into South Africa or Rand from a non-resident Rand account held with an authorised foreign exchange dealer and provided that the relevant Individual Certificate has been endorsed “*non-resident*” or the relevant securities account has been designated as a “*non-resident*” account, as the case may be.

The Issuer is domiciled and incorporated in South Africa and as such is not required to obtain exchange control approval for the issuance of Notes within South Africa.

For purposes of this section, **Common Monetary Area** means South Africa, Lesotho, Namibia, and Eswatini (formerly Swaziland).
